

May 2-3 2020 is a remote drill, split- trains are an option if needed. Saturday will be unit focused tasks and Sunday most sections will conduct MOS-skill based training. Those small sections that are not MOS specific has online training to conduct both days. Sunday will also be used to catch up on all evaluations and counseling's, record reviews are an option as well for those that need to complete it. There is a list attached to the training outline that is also attached to this email and will be available on the Maine Guard website located at the new URL: <https://www.me.ng.mil/>

As always, HHD will be online all weekend and available to handle any of your questions or concerns. All instructions for completing the online training is available on the web link and also below as a reference if needed:

<https://usarmy.skillport.com> will bring you to the Army eLearning website to conduct any professional development your section may have assigned. Most Soldiers will already have accounts. If you can't remember your name or password, use the blue links below the login to recover them.

Once you have logged in, use the Search function at the top to locate the course you want.
